Q: I am trying to find somewhere where I can take CPTED training in the Vancouver area. Any help you can give me would be greatly appreciated.

A: You could simply Google CPTED courses in Vancouver, or check continuing education classes in your area as well as the Justice Institute of BC to see where classes are being offered.

The BC Crime Prevention Association is also offering a CPTED course as a pre-conference event at our upcoming 30th Anniversary Annual Training Symposium. Here is the link to the information on our website:
