March 24, 2006

Dear Sir/Madam,

We are excited to announce the launch of the newest version of the **BC Crime Prevention Pages** provincial directory of crime prevention programs. The **CP Pages PDF Version** will be available on our website for users to review, download, or print. It includes all the organizations listed in the *CP Pages Online* as of March 8, 2006. It is our hope to update this version annually with the assistance of our volunteers.

In addition to offering the **CP Pages PDF Version** on our website at www.bccpa.org/crimepreventionpages.htm, we will be selling a hard copy version to our members and the public. Hard copies will be available in two formats: bound and in a three-ring binder.

The bound format is a sturdy soft cover booklet and is priced at \$40.00. The binder format will allow users to take out pages for ease of copying and is priced at \$47.00. These prices do not include GST and shipping costs. BC Crime Prevention Association Members receive a 15% discount.

We welcome you to view the CP Pages PDF Version online. If you wish to order a hard copy in either bound or binder format, please complete the attached order form and return it to BCCPA by email, fax or post.

If you have any questions or concerns or would like to learn more about the BC Crime Prevention Pages, please do not hesitate to contact us directly.

Yours Truly,

Information and Referral Services
