

## Corporate Donations Assist Patrols and Aid Crime Prevention!

RCMP and members of the Westside Citizens Patrol Emergency Call Out Unit are able to keep in touch with Bill Wilson, Coordinator of the Unit, through the generosity of Kelowna Ford Lincoln Sales Ltd. The company has donated the use of a cell phone for the next three years!

As well, Orchard Ford Sales Ltd. is supplying the fuel for Bill to visit the Citizens Patrols in the Thompson Okanagan region as well as to support his travels to provide Crime Prevention presentations to seniors groups, service clubs and other interested organizations.

**Each of these companies have been supporters of the Citizen Patrols in the area and are great believers in Community Safety.**

Bill Wilson (pictured here accepting the donations) is a busy man. Not only is Bill the BCCPN Thompson Okanagan Representative for the Citizens Patrol Network, he is a newly elected Director for BCCPA, a member of the Westside Citizens Patrol as well as holding a seat on the Central Okanagan Citizens Patrol steering committee.
